Letter of Commendation

Mr. Suarez,

On July 30, 2013, our agency received a report of a subject throwing himself in front of traffic in the area of Imperial and Broadway.

Upon our officer's arrival, a short foot pursuit ensued and the officer became engaged in a physical confrontation with the resistive subject.

At one point during the confrontation, the subject was able to get hold of the officer's Taser and they both struggled for control of the Taser.

You happened to be in the immediate area and assisted the officer by removing the Taser from the grasp of the resistive subject. You further assisted in controlling the subject until other officers arrived to assist the primary officer.

On behalf of the El Centro Police Department, I want to commend you for rendering aid to our officer. You displayed a willingness to assist a fellow law enforcement officer and your assistance did not go unnoticed.

Thank you and we wish you continued success.

Respectfully,

Eddie Madueno
Executive Commander

El Centro Police Department
